On a separate piece of paper, write a memoir of what happened to your gladiator during your first match. How did they feel going into the match? What tactics did they use in their match? What part of the match was the most important to them? How do they feel now that the match is over? This explanation should be at least 5 sentences long.

Then write 1-3 sentences about how you think it would be to be in a gladiator. Do you think you would be a good gladiator or a bad gladiator? What are the pros and cons of this career?

Standard	
Extending	The write up references events in the simulation and explains your thoughts on being a gladiator in great detail or with extra style.
Proficient	The write up references events in the simulation and explains your thoughts on being a gladiator.
Developing	The write up references events in the simulation and somewhat explains your thoughts on being a gladiator.
Emerging	The write up either does not reference the events of the simulation well or does not explain many thoughts about being a gladiator.
