French Monarchy Lifestyle Worksheet

In this worksheet, you will be deciding how your own monarchy will run based on what we learned about the each of the Louis' from France. Each section will be answered in full sentences on a separate piece of paper. Remember that you are thinking like a greedy monarch who loves to show off their wealth so think of great ways to spend money! After writing out your answers, draw a sketch of your palace with the party taking place, the more ostentatious the better.

1. Design your palace:
 - What materials comprise your palace?
 - How large is your palace?
 - Describe 1 quirky or opulent room that your palace has.
 - Describe your morning routine of getting ready in your fancy palace.
2. Design a 3-course meal made of fancy things for your guests:
 - What is the appetizer for your meal?
 - What is the main course for your meal?
 - What is the desert for your meal?
3. Design a large party for your noble friends to attend:
 - What will be the main form of entertainment for the party?
 - How will you make your grand entrance?
 - What kind of security will you have at your party?
 - What will be the punishment for a peasant sneaking in?
4. Finances:
 - What do you estimate your lifestyle will cost?
 - What is a way to cut costs that does not affect you?
 - What is a way to use the peasants to generate more income?
5. If you were a peasant living under yourself, how would you react to these new laws?
